## EVERY CHILD IS UNIQUE ONLINE CLASS (2 clock hours)

**CLASS DESCRIPTION:** This training is designed for caregivers and educators of children of all ages. Students will learn how to recognize individual behavioral and learning styles and adapt learning activities and experiences appropriately.

**LEARNING OBJECTIVES:** As a result of this training, participants will be able to:

- Identify characteristics which make each child unique
- Describe various temperaments and how they impact behavior
- Identify the three main sensory learning styles
- Determine the learning style of an individual child
- Give examples of how to adapt activities to meet the needs of a child who exhibits each learning style

## WHAT OTHERS ARE SAYING:

I liked the way that the different kinds of learners were laid out on the page. It was easy to see and I have printed it out so I can glance at it easily throughout the school year. I also liked finding out what kind of learner I am.

– Karen B., GA

It was helpful to learn the temperament of each child and ways to adapt to each child.

– Tammy R., KY

I enjoyed learning about the different learning styles of children.

– Julia P., PA

I really liked the way that the different learning styles were each described in such detail. Also, the examples given were very good. I feel that this class set-up was professionally done.

– Diane D., GA
