TRANQUIL TRANSITIONS ONLINE CLASS (3 clock hours)

CLASS DESCRIPTION: This training is designed for caregivers and educators of children of all ages. Students will learn how to plan for and manage smoother transition times in the classroom. This course includes many specific ideas.

LEARNING OBJECTIVES: As a result of this training, participants will be able to:

- Identify when transitions are problematic for classroom management
- List ways to reduce transition times in the daily routine
- Describe ways ease transition time and improve classroom management
- List strategies for managing specific transition times in the daily routine

WHAT OTHERS ARE SAYING:

I gained new information that will help us with transitions in the classroom.

– Jennifer B., KY

This class provided me with information on how to use easier transition times in my classroom.

– Cherrie R., NV

The class gave me some good ideas, especially transitioning to nap time. I didn't realize kids were so different!

– Michelle M., ID

I learned how to make transitions smoother and how to fit more activities into a larger time space, while still working on the individual needs of children.

– Dawn K., WI
